We are pleased to offer a fine selection of quality memorial arrangements reasonably priced for placement in memory of your loved one. Flowers are of the silk type variety being used in the floral industry. They are soil resistant and hold their color. We will place the arrangement of your choice at the grave location and remove them on October 1, 2026. The additional service is provided to you at NO additional cost. These fine flowers are on display at our administration building, which is located on the left side of the cemetery.

Our office hours are Monday through Friday, from 8:30AM to 4:30PM.

Also, you may view the flowers on the internet at: <http://butlercountymemorialpark.com/> then, click "SEND FLOWERS" at the very top of the page.
